B2B FOOTWEAR WHOLESALE & DISTRIBUTION

Your Go-To Shoe Partner

About us

We offer a wide range of trendy products from top fashion brands at preferential prices. Items are carefully selected to satisfy our customers and provide them with a unique shopping experience.

For over 20 years, KMG has specialized in buying up end-of-line stock from both past and present collections. Managing and optimizing stock for major brands is our core business.

KMG Trading built brick by brick from humble beginnings, always focused on extending the shelf life of products that would otherwise be "terminal".

With warehouse operations in the Jordan, United Arab Emirates and South Asia.

We handle all of their excess factory stock, store returns, class A,B,C delivery, canceled orders, and factory surplus. We have created bespoke solutions for all our partners by applying full transparency to ensure brand management is maintained throughout,
